Mike Castillo thanked the Board of Trustees for the two new vehicles and gave a brief report on the Utilities Department. Shirley Rice, Judge informed the Board of Senate Bill 173 that is probably going to pass, and if it does pass it will create a big budget hit for the municipalities. Met with Codes Enforcement, P & Z Department, Police Chief, and Clerk to talk about a process to put in place for the cleaning of the properties, and there's a process now which should take between thirty days and up to six weeks. Working with Officer Hernandez and JPO's to see about Teen Court. Lisa Neal Library Director reported on the Library about all the activities going on at the Library from setting up emails, filing for unemployment, writing resumes, applying for jobs online, basic web search information and filing for citizenship or work permits. There was a Community Meeting with NM Representative Angelica Rubio, and discussed issues concerning Hatch Valley. Police Chief Gimler reported a busy month, biggest concerns are the Border Patrol pursuits had six the past month. Discussions with Border Patrol to see about having better communication as the Police Department is in a different radio channel and Border patrol needs to communicate with our Police Department when there's pursuits for the safety of our citizens.

Trustee Whitlock thanked Dave Sment and the Clerk for submitting all the Legislative Capital Outlay requests a total of \$1,632,419. Among those projects were the Low Water Crossing Canal Street, Spring Canyon Dam, Library Improvements, Downtown Park planning and design, Planning/Design for septic tank drain field, commercial kitchen, and bathrooms for Chile Festival grounds, Announcer stand Frank Hinojos Ball Fields, Building Demolitions, and Gateway sign.

Mayor Nunez informed the Board of Trustees that the Clerk has submitted the second quarterly report to DFA, W2's and 1099's have been submitted as well. Staff working diligently on the delinquent accounts, IPRA requests. Also informed the Board of Trustees that the Village of Hatch will be looking into protesting a water well application filed with NMOSE based on the combining and comingling water rights that could increase pumping near the Village's well and result in impairment. Drawdown in the Village's wells could result in increased production of arsenic and the subsequent need for an expensive arsenic treatment plant would increase the cost of water to consumers and be contrary to public welfare.

There being no further business Trustee Crist moved to adjourn at 7:25 p.m. Seconded by Trustee Martinez. Motion carried with all Trustees voting aye.
