****Statement of Understanding****

I understand that if my application is granted, I must comply with all other requirements of the water/sewer regulations as set forth in the municipal code. I shall be responsible to pay the FULL COST, including necessary fees, of extending all facilities to obtain Village of Hatch Utilities. Should there ever be a shortage of water within the Village of Hatch, the Village has the right to disconnect me without recourse. Further I understand that the granting of this application will in no way give rise to any right of continued service of the Village of Hatch.

I understand that I will be responsible to comply with whatever other delivery engineering criteria are necessary in order to receive said utilities, and that if I extend any utility to any other dwelling except for my residence without prior approval of the Village, the Village of Hatch may terminate my services without notice. I also understand that should I become delinquent in any money owed to the Village of Hatch for the usage of water, the Village of Hatch has the right to disconnect service and proceed against me in a court of law to recoup the amount owed. I also agree that I will be responsible for reasonable attorney fees and costs of such action.

I have read and understand the above statement.
